

FirstTemp

***Flexibility, Reliability, Cutting Edge Technology,
and Certified Professional Staff in Your Office Now...
with Confidence.***

FirstTemp provides nuclear medicine technologists on an as needed contract basis to physicians and hospitals. Top quality board certified Nuclear Medicine techs are harder and harder to find. That's why ADM has your solution. ADM is one of the largest employers of Nuclear Medicine technologists in the nation. Our technologists are fully screened, properly trained and ready to meet our clients' needs in any environment be it a small hospital, large teaching facility, or physician's office. Whether your needs are to fill in for existing staff, augment current staff, or to plug a hole on an as needed basis, we can meet your needs.

Features

- Board Certified Technologists
- Short term assignments
- Long term assignments
- Vacation replacement
- Technologists fully trained for any clinical setting
- Workers compensation, professional liability, and all related taxes covered

Benefits

- Maintain consistent staffing level
